Christmas Sale Rogers Bros. 1847 Quadruple Plated Ware

The Same Ware Your Mother and Grandmother Were Proud to Have on Their Tables. Included, Also, in the Sale, a Factory Clean-up of Hollow Ware

Offered at ONE-THIRD to ONE-HALF Off the Regular Prices

A grand assortment from which to select for personal use and to buy for holiday gifts. It is not often that you have the chance to buy such variety in Rogers Bros. 1847 ware at a reduced price, and would not be possible now but for the fact that the War Industries Board have curtailed the number of patterns that Rogers Bros. can make; therefore, Rogers Bros. closed to us many of the patterns

they will drop for the duration of the war. More than 50 different items to select from.

The hollow silver-plated ware includes quadruple plate on nickel silver and white metal in Sheffield and other good wares—many pieces in the collection seldom found in a sale. Buy now for Christmas. We can only hint at the variety.
